Facial Care by AcadémieScientifique de Beauté

Age Recovery Treatment (60 mins) Baht 1,800++

This soothing premium treatment fights against cutaneous ageing and helps to maintain the skin 's water balance. The products used consist of white tea extract mask that is rich in flavonoids and anti-radical properties and a luxuriant cream with ginseng and shea butter. Another active ingredient is beetroot extract that works as a natural amino acid, which captures and redistributes water.

Moisturizing Skin Treatment (60mins) Baht 1,800++

A wonderfully nourishing and hydrating treatment for drier skin resulting in extra suppleness and comfort. Dead skin cells are buffed off using a phyto peel seaweed concentrate to reveal a glowing face followed by a nourishing cream before an egg yolk mask is applied. This mask is rich in phospholipids, amino acids and phosphorus. This ritual brings comfort and suppleness and skin is soft and silky to touch.

Natural Honey Sensitive Treatment (60 mins) Baht 1,800++

This radiance treatment uses a gentle cleansing technique followed by a seaweed phyto-peel with ingredients including coral powder to slough away dead skin cells and polish. This is followed by a cream massage into the skin to soften and nourish before a honey mask that brings intense and long lasting **moisture** and preservation of water balance. For all skin types including sensitive.

Rejuvenating Treatment (60 mins.) Baht 2,200++

This is the ultimate in penetrating deep tissues and maximizes firmness. After cleansing a seaweed phyto- peel is applied to gently polish and refine the skin, an energizing ginseng cream follows this before a rich and hydrating mask is massaged in to reveal a smoother, more radiant and younger looking skin. All facials are completed with eye and day/night cream and are designed for pre-makeup.
